

Name	Time	Format	Library	Description
Air Compressor Loop 630rpm approx.wav	00:01	44 32	VirtualTruck ERF E14/Stationary	Processed sound loop of engine-driven air compressor working at engine tickover speed.
Air Compressor Loop 1300rpm approx.wav	00:01	44 32	VirtualTruck ERF E14/Stationary Engine Sounds	Processed sound loop of engine-driven air compressor working at 1300rpm engine speed.
ERF E14 Accelerator Pedal Depress.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of accelerator pedal being fully depressed. Close X-Y mic configuration.
ERF E14 Accelerator Pedal Release.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of accelerator pedal being fully released from depressed position. Close X-Y mic configuration.
ERF E14 Air Tank Valve.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of valve which is heard when compressed air tanks reach full operating pressure. Recorded outside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Door Open Ext1.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being opened from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Door Open Ext2.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being opened from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Door Open Ext3.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being opened from outside of the vehicle. Slower release of door handle. Close X-Y mic configuration.
ERF E14 Cab Door Open Int1.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being opened from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Door Open Int2.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being opened from inside of the vehicle. Nice hinge creak can be heard. Close X-Y mic configuration.
ERF E14 Cab Door Open Int3.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being opened from inside of the vehicle. Small hinge creak can be heard. Close X-Y mic configuration.
ERF E14 Cab Door Shut Ext1.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from outside of the vehicle. Includes sound of hinge creaking. Close X-Y mic configuration.
ERF E14 Cab Door Shut Ext2.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from outside of the vehicle. Includes sound of hinge creaking. Close X-Y mic configuration.
ERF E14 Cab Door Shut Ext3.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from outside of the vehicle. Impact only. Close X-Y mic configuration.
ERF E14 Cab Door Shut Int1.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from inside of the vehicle. Impact only. Close X-Y mic configuration.
ERF E14 Cab Door Shut Int2.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from inside of the vehicle. Small hinge creak can be heard before impact. Close X-Y mic configuration.
ERF E14 Cab Door Shut Int3.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from inside of the vehicle. Impact only. Close X-Y mic configuration.
ERF E14 Cab Door Shut Int4.wav	00:01	44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab door being closed from inside of the vehicle. Impact only. Close X-Y mic configuration.

ERF E14 Cab Front Radiator Panel Open Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of the radiator panel being lifted open on the front of the driving cab. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Cab Front Radiator Panel Shut Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of the radiator panel being dropped down/closed/shut on the front of the driving cab. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Cab Window Wind Down.wav	00:02 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab window being wound downward by hand. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Window Wind Down2.wav	00:02 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab window being wound downward by hand. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Window Wind Up.wav	00:03 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab window being wound upward by hand. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Cab Window Wind Up2.wav	00:03 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of driver's cab window being wound upward by hand. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Clutch Pedal Depress Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of clutch pedal being fully depressed. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Clutch Pedal Depress Int.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of clutch pedal being fully depressed. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Clutch Pedal Release Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of clutch pedal being fully released from depressed position. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Clutch Pedal Release Int.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of clutch pedal being fully released from depressed position. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Dashboard Demister Slider Air Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister slider being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Demister Slider Air On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister slider being switched to ON position. Close X-Y mic configuration.
ERF E14 Dashboard Demister Slider Heat Down.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister slider being switched to COLD position. Close X-Y mic configuration.
ERF E14 Dashboard Demister Slider Heat Up.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister slider being switched to HOT position. Close X-Y mic configuration.
ERF E14 Dashboard Demister Slider Vent Down.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister slider being switched to DOWN position. Close X-Y mic configuration.
ERF E14 Dashboard Demister Slider Vent Up.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister slider being switched to UP position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Demister Fan Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Demister Fan On1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister switch being switched to "1" position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Demister Fan On2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard demister switch being switched to "2" position. Close X-Y mic configuration.

ERF E14 Dashboard Switch Front Foglamps Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard front foglamp switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Front Foglamps Off From1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard front foglamp switch being switched to OFF position from "1" position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Front Foglamps On 1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard front foglamp switch being switched to "1" position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Front Foglamps On 2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard front foglamp switch being switched to "2" position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Hazard Lights Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard hazard warning lights switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Hazard Lights On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard hazard warning lights switch being switched to ON position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Headlamps Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard headlamps switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Headlamps On 1 Sidelights.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard headlamps switch being switched to SIDELAMPS position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Headlamps On 2 Headlamps.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard headlamps switch being switched to HEADLAMPS. Close X-Y mic configuration.
ERF E14 Dashboard Switch Heated Seat Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard seat heating switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Heated Seat On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard seat heating switch being switched to ON position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Misc Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Misc On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard switch being switched to ON position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Rear Foglamp Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard rear foglamps switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Rear Foglamp On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard rear foglamps switch being switched to ON position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Speed Hold Lever Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard speed hold lever being switched to OFF position. Close X-Y mic configuration.
ERF E14 Dashboard Switch Speed Hold Lever On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Dashboard speed hold lever being switched to ON position. Close X-Y mic configuration.
ERF E14 Drive Off From Road Junction.wav	00:40 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer selecting gear and driving off into distance from road junction. Microphone tracks vehicle. X-Y mic configuration.
ERF E14 Drive Off To Right1.wav	00:29 44 16	VirtualTruck ERF E14/Roadside and	Recording of ERF E14 tractor unit and trailer selecting gear
ERF E14 Drive Off To Right2.wav	00:30 44 16	VirtualTruck ERF E14/Roadside and	Recording of ERF E14 tractor unit and trailer starting engine

ERF E14 Drive Past Left to Right Hard Acc.wav	00:12 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer passing under acceleration at moderate high speed from left to right. Recorded from ground level. X-Y mic configuration.
ERF E14 Drive Past Left to Right Hard Acc with Skid1.wav	00:18 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer passing under acceleration at moderate high speed from left to right before skidding to a stop after emergency braking. Recorded from ground level. X-Y mic configuration.
ERF E14 Drive Past Left to Right Hard Acc2a.wav	00:22 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer passing under acceleration from left to right. Recorded from ground level. X-Y mic configuration.
ERF E14 Drive Past Left to Right Hard Acc2b.wav	00:20 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer passing under acceleration from left to right. X-Y mic configuration.
ERF E14 Drivers Seat Sprung Down.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of air-sprung driver's seat lowering after weight is applied. Close X-Y mic configuration.
ERF E14 Drivers Seat Sprung Up.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of air-sprung driver's seat lowering after weight is removed. Close X-Y mic configuration.
ERF E14 Driving Towards Mic from Left with loud air brakes.wav	00:21 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer approaching from left and stopping. Loud hiss from handbrake when vehicle stops. X-Y mic configuration.
ERF E14 Emergency Stop Skid From Distance.wav	00:04 44 32	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer skidding during emergency stop. X-Y mic configuration.
ERF E14 Emergency Stop Skid Left to Right.wav	00:23 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer approaching at building speed and skidding from left to right on approach to microphone during emergency stop. X-Y mic configuration.
ERF E14 Emergency Stop Skid Towards Mic.wav	00:16 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer approaching at speed and skidding towards microphone during emergency stop. X-Y mic configuration.
ERF E14 External Battery Master Switch Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of external battery master switch being turned to OFF position. Close X-Y mic configuration.
ERF E14 External Battery Master Switch On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of external battery master switch being turned to ON position. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Hard Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being fully depressed hard. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Hard Ext Close to Reservoir.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being fully depressed hard. Recorded from outside of the vehicle close to footbrake air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Hard Int.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being fully depressed hard. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Hard Trailer Ext Close to Reservoir.wav	00:03 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being fully depressed hard. Recorded from outside of the vehicle under trailer air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Soft Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being depressed softly. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Soft Ext Close to Reservoir.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being depressed softly. Recorded from outside of the vehicle close to footbrake air reservoir. Close X-Y mic configuration.

ERF E14 Footbrake Pedal Depress Soft Int.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being depressed softly. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Depress Soft Trailer Ext Close to Reservoir.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being depressed softly. Recorded from outside of the vehicle under trailer air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Hard Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released from fully depressed position. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Hard Ext Close to Reservoir.wav	00:02 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released from fully depressed position. Some hesitation on release. Recorded from outside of the vehicle close to footbrake air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Hard Ext Close to Reservoir EDITED.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released from fully depressed position. Recorded from outside of the vehicle close to footbrake air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Hard Int.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released from fully depressed position. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Hard Trailer Ext Close to Reservoir.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released from fully depressed position. Recorded from outside of the vehicle under trailer air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Soft Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released softly. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Soft Ext Close to Reservoir.wav	00:02 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released softly. Recorded from outside of the vehicle close to footbrake air reservoir. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Soft Int.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released softly. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Footbrake Pedal Release Soft Trailer Ext Close to Reservoir.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of footbrake pedal being released softly. Recorded from outside of the vehicle under trailer air reservoir. Close X-Y mic configuration.
ERF E14 Gear Lever Eaton Twinsplitter Switch Select 2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of gear lever switch selecting "2" position for Eaton Twinsplitter gearbox. Mechanical clunk can be heard from underneath cab. Close X-Y mic configuration.
ERF E14 Gear Lever Eaton Twinsplitter Switch Select 3.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of gear lever switch selecting "3" position for Eaton Twinsplitter gearbox. Mechanical clunk can be heard from underneath cab. Close X-Y mic configuration.
ERF E14 Gear Lever Move Left.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of gear lever being moved to left from "neutral" position. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Gear Lever Move Right.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of gear lever being moved to right from "neutral" position. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Gear Lever Shifting Sounds Ext.wav	00:28 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Un-edited recording of gear lever being moved to select various gears when stationary with engine off. Recorded from outside of the vehicle. Close X-Y mic configuration.

ERF E14 Gear Lever Wobble Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Recording of gear lever being moved repeatedly from left to right in "neutral" position. Recorded from outside of the vehicle.
ERF E14 Gear Lever Wobble INT.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Recording of gear lever being moved repeatedly from left to right in "neutral" position. Recorded from inside of the vehicle.
ERF E14 Handbrake Lever Off1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of handbrake lever being released from ON position. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Handbrake Lever Off2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of handbrake lever being released quickly from ON position. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Handbrake Lever On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of handbrake lever being applied. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Handbrake Off Ext.wav	00:05 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of handbrake lever being released from ON position. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Handbrake On Ext.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of handbrake lever being applied. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Horn Long.wav	00:02 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of a long blast of the standard electric dual-tone horn. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Horn Pip-Pip1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of two short blasts of the standard electric dual-tone horn. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Horn Pip-Pip2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of two short blasts of the standard electric dual-tone horn. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Horn Short1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of one short blast of the standard electric dual-tone horn. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Horn Short2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of one short blast of the standard electric dual-tone horn. Recorded from outside of the vehicle. X-Y mic configuration.
ERF E14 Ignition Key Insert.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of ignition key being inserted into barrel on steering column. Close X-Y mic configuration.
ERF E14 Ignition Key Remove.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of ignition key being removed from barrel on steering column. Close X-Y mic configuration.
ERF E14 Ignition Key Ring Drop.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of ignition keyring dropping after key is inserted into barrel on steering column. Close X-Y mic configuration.
ERF E14 Ignition Relay Switch Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of electric relays behind dashboard after ignition key is turned to OFF position. Close X-Y mic configuration.
ERF E14 Ignition Relay Switch On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of electric relay behind dashboard after ignition key is turned to ON position. Close X-Y mic configuration.
ERF E14 Ignition Switch Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of ignition key being turned to OFF position in barrel on steering column. Close X-Y mic configuration.
ERF E14 Ignition Switch On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording of ignition key being turned to ON position in barrel on steering column. Close X-Y mic configuration.

ERF E14 Indicator Buzzer Loop.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Sound loop of warning buzzer which is activated when the direction indicators or hazard warning lights are selected. Close X-Y mic configuration.
ERF E14 Indicator Stalk Off1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Indicator stalk being returned to OFF position. Close X-Y mic configuration.
ERF E14 Indicator Stalk Off2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Indicator stalk being returned to OFF position. Close X-Y mic configuration.
ERF E14 Indicator Stalk Right.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Indicator stalk being moved to RIGHT position. Close X-Y mic configuration.
ERF E14 Indicators Stalk Left.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Indicator stalk being moved to LEFT position. Close X-Y mic configuration.
ERF E14 Onboard Driving Around Roundabout ENG EXH Mix.wav	00:53 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Recorded whilst negotiating large roundabout junction. Mix of engine compartment and exhaust mics. Exhaust note in MONO.
ERF E14 Onboard Driving Around Roundabout INT.wav	00:53 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Recorded whilst negotiating large roundabout junction. X-Y mic configuration.
ERF E14 Onboard Driving Uphill Struggle ENG EXH Mix.wav	02:25 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Steep uphill section from 00:57. Mix of engine compartment and exhaust mics. Exhaust note in MONO.
ERF E14 Onboard Driving Uphill Struggle INT.wav	02:25 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Steep uphill section from 00:57. X-Y mic configuration.
ERF E14 Onboard Driving With Gear Miss and Downhill Engine Braking ENG EXH Mix.wav	04:33 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Misses a gearchange at 00:30. Long section of downhill engine braking at 03:40. Mix of engine compartment and exhaust mics. Exhaust note in MONO.
ERF E14 Onboard Driving With Gear Miss and Downhill	04:33 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. X-Y mic configuration.
ERF E14 Onboard Normal Driving1 ENG EXH Mix.wav	03:32 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Mix of engine compartment and exhaust mics. Exhaust note in MONO. Modified exhaust mic position.
ERF E14 Onboard Normal Driving1 INT.wav	03:32 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. X-Y mic configuration.
ERF E14 Onboard Normal Driving2 ENG EXH Mix.wav	04:17 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. Mix of engine compartment and exhaust mics. Exhaust note in MONO.
ERF E14 Onboard Normal Driving2 INT.wav	04:17 44 16	VirtualTruck ERF E14/Onboard Recordings	Longplay onboard recording of on-road driving conditions. X-Y mic configuration.
ERF E14 Overhead Interior Bunk Light Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead bunk light switch being switched to OFF position. Close X-Y mic configuration.
ERF E14 Overhead Interior Bunk Light On1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead bunk light switch being switched to "1" position. Close X-Y mic configuration.
ERF E14 Overhead Interior Bunk Light On1 to2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead bunk light switch being switched to "2" position. Close X-Y mic configuration.
ERF E14 Overhead Interior Map Light Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead map light switch being switched to OFF position. Close X-Y mic configuration.

ERF E14 Overhead Interior Map Light On1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead map light switch being switched to "1" position. Close X-Y mic configuration.
ERF E14 Overhead Interior Map Light On2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead map light switch being switched to "2" position. Close X-Y mic configuration.
ERF E14 Overhead Interior Map Light On2 to1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead map light switch being switched to "2" position from "1" position. Close X-Y mic configuration.
ERF E14 Overhead Roof Beacon Rotating Loop Interior.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Sound loop of rotating light beacon mounted above the roof of the driving cab. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Overhead Switch For Rotating Roof Beacon Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead switch for rotating beacon being switched to OFF position. Close X-Y mic configuration.
ERF E14 Overhead Switch For Rotating Roof Beacon On.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Overhead switch for rotating beacon being switched to ON position. Close X-Y mic configuration.
ERF E14 Reversing Fast Away into Distance.wav	00:43 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer selecting reverse gear and reversing away from microphone at high speed into distance. X-Y mic configuration.
ERF E14 Reversing Fast Towards Mic Distant.wav	00:15 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer reversing towards microphone at high speed. Wheelspin can be heard at start of recording. X-Y mic configuration.
ERF E14 Reversing Right to Left.wav	00:45 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer approaching and passing in reverse at a steady moderate speed. X-Y mic configuration.
ERF E14 Reversing Towards Mic from Right and Stop.wav	00:19 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer approaching in reverse before stopping. X-Y mic configuration.
ERF E14 Reversing Trailer up Steep Muddy Gradient and Park.wav	00:55 44 32	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer reversing towards microphone up a steep muddy gradient before parking. X-Y mic configuration.
ERF E14 Start-up and Drive Over Top of Mic.wav	00:30 44 32	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer starting up and driving towards and passing over the top of the microphone. X-Y mic configuration.
ERF E14 Stopping On Top of Mic1.wav	00:29 44 16	VirtualTruck ERF E14/Roadside and Exterior Recordings	Recording of ERF E14 tractor unit and trailer approaching at moderate speed before stopping directly above microphone. Recorded from ground level. X-Y mic configuration.
ERF E14 Tachograph Running Noise Loop.wav	00:13 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Sound loop of mechanical analogue tachograph unit operating behind speedometer. Runs continuously regardless of ignition or battery switch state. Close X-Y mic configuration.
ERF E14 Warning Buzzer Low Air.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Un-edited recording of warning buzzer that sounds when air pressure is too low. Continuous loops can be made within this recording. Close X-Y mic configuration.
ERF E14 Windscreen Washer Motor Ext.wav	00:06 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Recording of the windscreen washer motor unit. Water can be heard dripping towards end of recording. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Windscreen Washers Switch Press.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen washer button being pressed on end of indicator stalk. Close X-Y mic configuration.
ERF E14 Windscreen Washers Switch Release.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen washer button being released on end of indicator stalk. Close X-Y mic configuration.

ERF E14 Windscreen Wipers Exterior Fast Speed.wav	00:04 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Sound loop of three cycles of the windscreen wiper operation at fast speed. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Exterior Normal Speed.wav	00:08 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Sound loop of four cycles of the windscreen wiper operation at normal speed. Recorded from outside of the vehicle. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Interior Fast Speed.wav	00:05 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Recording of four cycles of the windscreen wiper operation at fast speed. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Interior Normal Speed.wav	00:03 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	Recording of two cycles of the windscreen wiper operation at normal speed. Recorded from inside of the vehicle. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Switch Off.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen wiper switch being rotated to OFF position on indicator stalk. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Switch Off From 2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen wiper switch being rotated to OFF position from "2" position on indicator stalk. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Switch On Intermittent.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen wiper switch being rotated to INTERMITTENT position on indicator stalk. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Switch On1.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen wiper switch being rotated to ON position on indicator stalk. Close X-Y mic configuration.
ERF E14 Windscreen Wipers Switch On2.wav	00:01 44 32	VirtualTruck ERF E14/Foley and Dashboard Sounds	One-shot recording. Windscreen wiper switch being rotated to ON FAST position on indicator stalk. Close X-Y mic configuration.
NT855 ENG 1080rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 630rpm.wav	00:06 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 700rpm.wav	00:05 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 800rpm.wav	00:05 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 920rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 1380rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 1550rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 1760rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 2000rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG 2130rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.

NT855 ENG 2200rpm.wav	00:04 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG Diesel Hydraulic Train Effect.wav	00:29 44 16	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Recording of Cummins NT855 14 litre turbo-diesel engine simulating railway application in a diesel hydraulic train. Recorded from inside engine compartment.
NT855 ENG Rev to Red Line.wav	00:29 44 16	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	Recording of Cummins NT855 14 litre turbo-diesel engine rev and hold at maximum engine speed before falling to idle. Recorded from inside engine compartment.
NT855 ENG Shutdown.wav	00:06 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	One-shot recording of Cummins NT855 14 litre turbo-diesel engine shutting down. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG Start Up Fail.wav	00:02 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	One-shot recording of Cummins NT855 14 litre turbo-diesel engine failing to start up. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 ENG Startup.wav	00:01 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exterior Engine	One-shot recording of Cummins NT855 14 litre turbo-diesel engine starting up. Ideal for developers of games and simulators. Recorded from inside engine compartment.
NT855 EXH 630rpm.wav	00:06 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exhaust	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Originally MONO recording. Ideal for developers of games and simulators. Recorded from outside driving cab near exhaust outlet.
NT855 EXH 700rpm.wav	00:05 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exhaust	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Originally MONO recording. Ideal for developers of games and simulators. Recorded from outside driving cab near exhaust outlet.
NT855 EXH 800rpm.wav	00:05 44 32	VirtualTruck ERF E14/Stationary Engine Sounds/Exhaust	Sound loop. Cummins NT855 14 litre turbo-diesel engine. Originally MONO recording. Ideal for developers of games and simulators. Recorded from outside driving cab near exhaust outlet.
